Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is a final warning of the imminent return of Jesus to meet his followers in the sky--also known as the Rapture. It reveals how a recent trip to India by a team of seven in March of 2016 uncovered revelations from the Lord that the tipping point of good and evil is here; thus, of the Church of Jesus Christ. The Tipping Point is that pivotal moment when an idea, trend, or social behavior crosses a threshold, tips, and spreads like wildfire. Just as a single sick person can start an epidemic of the flu, so too, a small but precisely targeted push can cause a fashion trend, the popularity of a new product, or a drop in the crime rate. The tipping point is the moment of critical mass, the threshold, the boiling point. At that point, change can happen very quickly (Malcolm Gladwell, *The Tipping Point: How little Things Can Make a Big Difference*, First Back Bay, 2002, p.11-12). Come with us on this trip to India, Dubai and back. See for yourself the how, what and whys of this tipping point. We believe you will come away convinced as we are that Jesus Christ is half-way out the door. Be a harvester and a watchman with us with your personal journal. Document all the blessings and answers to prayer--in your sphere of influence and around the world--that are being poured out from the golden bowl in heaven at this pivotal point in all history--including prayers from the very beginning of time!.
