

Modern Steam Traps (English and American): Their Construction and Working (Classic Reprint) (Paperback)

By Gordon Stewart

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Modern Steam Traps (English and American): Their Construction and Working Few fittings of general utility in engineering work shops and factories have received such a vast amount of ingenuity and engineering skill of a high order expended upon their design, etc, as have modern steam traps. They have made their influence felt in almost every branch of manufacture, and now being an integral part of every installation they may be seen almost everywhere in daily use draining steam-pipe ranges - this being perhaps the most extended use to which they have been put - draining steam heaters, steam-jacketed kettles, steam presses, engine cylinders, steam-jacketed cylinders, paper-machine cylinders, air and gas receivers, vulcanisers, railway carriage heating appliances, etc. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
