Lethe Press. Paperback. Book Condition: New. Paperback. 336 pages. Dimensions: 8.9in. x 5.9in. x 1.0in. Latter-Gay Saints brings together twenty-five exemplary short works depicting a variety of perspectives of what it means to be both Mormon and queer. Some portray characters determined to reconcile their sexuality with the Mormon faith in accordance with its constantly evolving teachings and policies. The majority present the realities of queer Mormons who have come to terms with their sexuality in a variety of alternative ways. Others are written from outside the Mormon community, commenting on often strange encounters with Mormons who are gay. These stories are also of value for the broader GLBT community revealing similarities that people of faith, regardless of which faith, face in attempting to negotiate their religious heritage with their homosexuality. Some in the GLBT community find a way, while others do not, leaving their faith or having it ripped from them. They are all individuals searching for answers to life's puzzles. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
