DAMBALLA

Airship 27. Paperback. Condition: New. Clayton Hinkle (illustrator). 206 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Making Pulp History! From the heart of Africa to the streets of Harlem, a new hero is born sworn to support and protect Americans of all races and creeds; he is Damballa and he strikes from the shadows. When the reigning black heavy weight boxing champion of the world agrees to defend his crown against a German fighter representing Hitler's Nazi regime, the ring becomes the stage for a greater political contest. The Nazis agenda is to humble the American champion and prove the superiority of their pure-blood Aryan heritage. To achieve this end, they employ an unscrupulous scientist capable of transforming their warrior into a superhuman killing machine. Can the mysterious Damballa unravel their insidious plot before it is too late to save a brave and noble man Airship 27 Productions and Cornerstone Book Publishers are proud to introduce pulpdom's first ever 1930s African-American pulp hero as created by the acclaimed author, Charles Saunders. Having revolutionized the genre of epic fantasy with the creation of Imaro, a black warrior easily equal to such classic characters as Tarzan and Conan, Charles Saunders has done it again. This time he has created DAMBALLA, a true hero in every sense of the word. Battling racism and evil in the 1930s, DAMBALLA is no pale imitation of The Shadow or The Avenger. In fact, after reading this excellent book, I think that they would be proud to consider him a brother in the ceaseless war against crime and injustice.
