

The Direct Path: A User Guide

By Greg Goode

Little, Brown Book Group, United Kingdom, 2012. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book. This book is the missing manual to the Direct Path. For the first time in print, Direct-Path inquiry is presented from beginning to end and beyond, in a user-friendly way. The core of the book is a set of forty experiments designed to help dissolve the most common non-dual sticking points, from simple to subtle. The experiments cover the world, the body, the mind, abstract objects, and witnessing awareness. You are taken step-by-step from the simple perception of a physical object all the way to the collapse of the witness into pure consciousness. Your takeaway is that there is no experiential doubt that you and all things are awareness, openness, and love. Also included are three tables of contents, illustrations, an index, a section on teaching, and the notion of a post-nondual realization. This book can be utilized on its own or as a companion volume to the author's Standing as Awareness.
