Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Dry-Fly Fisherman s Entomology The Introduction to this book was written in the year 1913. An explanation therefore becomes due, setting forth the reasons for so long a delay in its publication. Perhaps the chief cause has been the difficulty of finding an artist with sufficient technical skill who could and would undertake a task of such difficulty as the hand-colouring of the large number of coloured figures shown on the seventeen plates. The Author was particularly fortunate in securing the services of Mr. Banfield, who spared no pains in painting the original models from which the figures have been copied. Then the European war intervened, and Mr. Banfield proceeded on service before the task had been completed. Other delays arose by reason of the War: still more, again, by reason of the Peace. In these strenuous times, the difficulty of finding colourists willing to devote the time required for copying the minute details shown on the plates has become more and more accentuated.
