## Otto Learns About His Medicine: A Story About Medication for Children with ADHD (Hardback)

---

By Matthew Galvin

American Psychological Association, United States, 2001. Hardback. Book Condition: New. Sandra Ferraro (illustrator). 3rd Revised edition. 317 x 208 mm. Language: English . Brand New Book. This lively best-selling story - now in its third edition - will appeal to youngsters diagnosed with ADD or ADHD. Otto is a high-octane young car whose motor is always running in overdrive. He also has trouble paying attention in school, is easily distracted, and acts without thinking. Otto and his parents visit a special mechanic, who prescribes medication to slow down Otto's racing motor and who shows him many ways to be more focused and organized and better able to get along with others. Reflecting a multiple-treatment approach to ADHD, Otto's experience includes counseling and other non-medical supports in addition to medication. A Note to Parents discusses the most current findings about ADHD medications, including their potential side effects.

### Reviews

*Very helpful to any or all category of folks. It is written in simple phrases rather than difficult to understand. It's been developed in an exceptionally simple way and is particularly just after I finished reading this pdf in which basically transformed me, modify the way in my opinion.*

-- **Hank Runte**

*A fresh e book with a new viewpoint. It is among the most awesome ebook we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
