

Thriving Warrior: Journey through Hospice and Cancer

By Ms Karen R Lewandowski

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 140 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Millimeter-by-millimeter your life can change in a second. Surprises sneak in and change the direction of your thoughts. What you thought you knew becomes irrelevant. Cancer was a bump in the road, a pretty big bump. I traveled through a 14-month journey with cancer as a constant internal companion. The cancer is not as strong as I am. Through the treatments and while on hospice care, I continued to attend college, positively encourage others to reach for their dreams, advocate for animals and I continued living. Cancer fighting takes more than doctors, medications, chemotherapy, radiation, etc. It also takes laughter and staying at the party until the last cocktail is served! This item ships from La Vergne, TN. Paperback.
