Nelson Books, United States, 2006. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. As World War II raged, millions of men and women confronted injury, destruction, separation from home and loved ones, chaos, and death. These challenges and traumas and many others forced an entire generation of everyday heroes to take stock of their lives. And in the process, many turned to God in ways they never had before. In *Faith Under Fire*, you ll experience scenes of astonishing bravery, moments of heart-breaking loss, and a pervasive sense of love for God, neighbor, and country that was strong enough to transcend denominational and national differences, inspiring selfless acts of courage and compassion under the worst of circumstances. From the Catholic chaplain who offered mercy among the carnage of Iwo Jima, to the Pentecostal boy who was saved from an incoming shell by the voice of God calling his name, to the young wife praying that her husband would survive life in a concentration camp, to the Tuskegee Airman who fought both totalitarianism and racism, these stories reveal the powerof faith that sustained these heroes when there was nowhere else to turn. Award-winning author Steve Rabey presents more than twenty firsthand accounts of faith under pressure, many of them illustrated with war-time photos, letters, and journal entries. At a time when many who lived through these trying times are dying, their stories live on, passing on a legacy of faith and fortitude to future generations.
