## BECOMING AN OCCUPATIONAL THERAPIST: STUDY TEXT

BPP Learning Media, United Kingdom, 2016. Paperback. Book Condition: New. 2nd edition. 297 x 210 mm. Language: English . Brand New Book. According to the College of Occupational Therapists, Occupational therapists help people engage as independently as possible in the activities (occupations) which enhance their health and wellbeing . This book provides a practical approach for those considering occupational therapy as a career. Dispelling the myths about occupational therapy, Chris McKenna and Cath Wright explore current practice and introduce the reader to a range of innovations in modern occupational therapy training and practice. The reader is taken on a journey from their initial enquiry about this essential profession, to the point at which they consider the direction of their first graduate post. Information is provided to enable a prospective student to access a suitable course and negotiate the application process. They are presented with advice from experienced educators on how to get the most from their academic and practice placement opportunities. This text culminates in the consideration of the variety of career opportunities available for the successful graduates. In this new edition all chapters have been fully updated. The book contains a new chapter on A day in the Life of an Occupational Therapist as well as new and updated closer look/case studies. The updated edition also takes into consideration the new financial arrangements for students.
