Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The United States Art Directory and Yearbook: A Guide for Artists, Art Students, Travellers, Etc The purpose of this little book is sufficiently explained by its title. It aspires to be a guide to artists, art students, - historical, as well as technical, - and travellers of an artistic turn of mind, in matters pertaining to the practical side of art; that is to say, in its educational, social, and mercantile bearings. With the aesthetic side of art it has nothing to do. In its plan it is similar to, although less ambitious than, the works of a like nature which have been published in Europe for some years. As it is the first attempt to give a bird's eye view of the organized efforts making in the United States in behalf of art, the reader will no doubt be inclined to look charitably upon its evident shortcomings. Nor will this charitable tendency be diminished, when it is considered that, with the exception of newspapers and periodicals, and a few of the publications of the Bureau of Education, - all of the latter, however, some years old, - no aids were available. It is manifest from this that most of the facts embodied in the lists herewith submitted had to be elicited by direct application, either by letter or personally, - a laborious proceeding under all circumstances, but rendered more difficult in this case by special conditions. Most of the societies enumerated publish no printed reports, and the answers returned to written inquiries were, in many instances, quite incomplete. If to this be added the shortness of the time necessarily allowed for doing the...
