Oxford University Press Inc, United States, 2011. Hardback. Condition: New. 7th Revised edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Reflecting the highly globalized nature of tastes, production, labor markets, and financial markets in today s world, Managerial Economics in a Global Economy, Seventh Edition, is ideal for undergraduate and MBA courses in managerial economics. Thoroughly adopting a global perspective, it synthesizes economic theory, decision science, and business administration studies, examining how they interact as a firm strives to reach optimal profitability and efficiency in the face of modern constraints. FEATURES: * Integrates examples, data, and theories on the international ramifications of managerial decisions into the entire text, rather than segregating the material in a separate chapter * Demonstrates how firms actually reach managerial decisions with 122 real-world case studies and 11 more extensive integrating studies, along with additional case studies and applications on the Companion Website * Prominently features those tools of decision making, such as spreadsheet applications, that are so in demand by students * Introduces many new and exciting topics, including firm architecture, firm governance, and business ethics; Porter s strategic framework and the evolution of the creative firm; electronic commerce and risk management; and more * Offers instructors maximum flexibility with a modular structure that is suitable for both full-term and briefer courses, and can be used with or without calculus NEW TO THIS EDITION: * Extensive revisions to every chapter that consider the consequences and lessons of the 2008 global financial crisis * A new Chapter 2: Demand, Supply, and Equilibrium Analysis, to refresh students on relevant principles of economic analysis * Expanded coverage of spreadsheets and Microsoft Excel, including new appendices and spreadsheet-based problems in...
