Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Famed FBI Agent Hank Garrison has caught his fair share of criminals, but after failing to capture a murderer he decides that it would be best to take some time off and spend it in Florida with his wife and children. Unfortunately, as soon as Garrison arrives in the Sunshine State he realizes that crime just won't take time off from him. A series of murders take place during Garrison's vacation and somehow each victim is mysteriously connected to him. With the killer leaving subtle clues it becomes apparent to Garrison that someone is playing a game with him- a game like no other- one where the rules are deadly. And like every game, there can only be one winner in the end.
