HarperCollins. Paperback. Book Condition: New. Thomas Locker (illustrator). Paperback. 40 pages. Dimensions: 9.7in. x 7.8in. x 0.1in. In spring, a snapping turtle lays her eggs on the hillside beneath the tree. In autumn, leaves fall as squirrels scamper up the trunk carrying nuts. And on a winter night, a backdrop of twinkling stars shines through the branches. Each day, the tree changes with the purple and pink of a sunset or a nip of cold air. But the tree is more than a thing of beauty; its changes represent the passage of time in nature. In this stunning book by Thomas Locker, who was seven years old when he won his first award for a painting of a tree that still stands in the National Zoo, exquisite paintings and wondrous text are paired with questions about nature, and science comes alive through art. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
