The University of Michigan Press, United States, 2004. Hardback. Book Condition: New. New.. 231 x 157 mm. Language: English . Brand New Book. Through well-informed and nuanced readings of key documents from the fourth through fourteenth centuries, this book challenges historians long-held beliefs about how concepts of Greco-Roman theater survived the fall of Rome and the Middle Ages, and contributed to the dramatic triumphs of the Renaissance. Dox's work is a significant contribution to the history of ideas that will change forever the standard narrative of the birth and development of theatrical activity in medieval Europe. ---Margaret Knapp, Arizona State University . .an elegantly concise survey of the way classical notions of theater have been interpreted in the Latin Middle Ages. Dox convincingly demonstrates that far from there being a single medieval attitude towards theater, there was in fact much debate about how theater could be understood to function within Christian tradition, even in the so-called dark ages of Western culture. This book makes an innovative contribution to studies of the history of the theater, seen in terms of the history of ideas, rather than of practice. ---Constant Mews, Director, Centre for the Study of Religion Theology, University of Monash, Australia In the centuries between St. Augustine and Bartholomew of Bruges, Christian thought gradually moved from a brusque rejection of classical theater to a progressively nuanced and positive assessment of its value. In this lucidly written study, Donnalee Dox adds an important facet to our understanding of the Christian reaction to, and adaptation of, classical culture in the centuries between the Church Fathers and the rediscovery of Aristotle. ---Philipp W. Rosemann, University of Dallas This book considers medieval texts that deal with ancient theater as documents of Latin Christianity's intellectual history. As an exercise in medieval historiography, this...
