Lutfi Koray Yitmen, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There are many books about topics and disciplines in Information Technology. But most books concentrate on a single area. This book is an exception - it looks at three disciplines and ties them together. Excellent idea. Congratulations to Koray for putting this book together, and also for his generosity in donating profits to schools. -- Dorothy Graham, Best-selling Author Koray does a great job of using clever, insightful metaphors to illustrate concepts. He writes in an accessible, easy-to-read style. I hope you enjoy reading this book as much as I did. -- Rex Black, Best-selling Author In his book Koray uses two phrases again and again.
