Wheatmark. Paperback. Condition: New. 181 pages. This book, and More Key Words and Expressions which followed it, have been hailed by reviewers as a unique and innovative idea. They give you the absolutely essential words that you need to navigate everyday French conversation. Not the textbook formal words but the expressions that real people in France use when they talk to each other. Youll learn when to use, and when not to use words and expressions like truc, foutu, Oh-la-la, Coucou, payer en liquide, and merde. Youll learn how to faire un bise quelquun, how to say you are sorry, what les grandes surfaces are, and how to tell someone to shut up. Youll learn what a goter is, and an apertif dnatoire. Youll find out that Ce sale chat ! doesnt mean the cat is dirty, that passer an exam doesnt mean to pass the exam, and lots, lots more. And its all written in a conversational style with each word or expression explained and illustrated with examples in French and their translations in English. Youll see why a reviewer of Key Words and Expressions on amazon. com said: If you really want to learn spoken French, you need this book. (Come to think of it, I havent found such books in any of the three foreign languages Ive studied besides...
