

Managing for a Change: How to run community development projects (Paperback)

By Anthony Davies

ITDG Publishing, United Kingdom, 1997. Paperback. Condition: New. Language: English . Brand New Book. Project management is a skill we have to learn; good intentions and enthusiasm are not enough! This book provides an insight into development project planning and management by guiding the reader, chapter by chapter, through the stages from concept to completion. Topics covered include problem identification, mobilizing a group, solution identification and planning, resource identification and cost estimating, project funding, basic book-keeping and records, project supervision, project execution and post-project management. There is advice on all aspects of the process including problem analysis, meetings, letter-writing, decision-making, leadership, employment of contractors and quality control. The last chapter includes sections on profit and non-profit making enterprises and each chapter ends with exercises to help test the new knowledge and reinforce the lessons in good practice. The language used is clear and simple, and there are illustrations and diagrams throughout. Project management is a skill we have to learn and this book provides an insight into development project planning and management by guiding the reader through the stages from concept to completion. Topics covered include problem identification, mobilizing a group, solution identification and planning, resource identification and cost estimating, project...

Reviews

A whole new e book with a new perspective. I could comprehend almost everything using this written ebook. I am very happy to inform you that here is the greatest ebook i have read in my very own life and may be the best publication for ever.

-- **Dee Halvorson**

If you need to adding benefit, a must buy book. Better then never, though i am quite late in start reading this one. I discovered this publication from my i and dad advised this pdf to find out.
