Samhain Publishing Ltd, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. It's a lovely night for a sleigh ride--until something wicked takes the reins. When Nick and Kris, the half-fae sons of human mothers, aren't using Santa's sleigh in the off-season to make deliveries for their booming sex toy business, they're setting off sensual fireworks in the bedroom. Yet they dream of a feminine third to complete their lives. There's only one woman they can picture filling that role: Lilly, the girl they both dated in college. Lilly thought earning extra money stripping was a good plan, until she's left battered, bruised, and stuffed in a back-alley trash can. Her rescuers turn out to be the dark, brooding dom and the golden-haired sub whose faces--and shockingly entwined bodies--are still the stuff of her most searing fantasies. While she's more than willing to take them up on their offer of one perfect night of magic, she questions whether anyone can break into Nick and Kris's powerful bond. But there's someone who's been waiting for this moment all Lilly's life. An evil psychopath who holds the secrets of her past--unless Nick and Kris can unravel them in time to save her from a fate worse than death. Warning: Explicit menage a trois, hot m/f/m scenes, hot male/male scenes, a ruthless stalker who torments the heroine, sex toys, sex on roof tops, spankings, BDSM, Dark Fae, birdmen, orphans, strippers, centaurs, a violent battle between good and evil creatures on board a ship, true love, and sex in Santa's sleigh.
