Valuation Workbook: Step-by-Step Exercises and Tests to Help You Master Valuation (6th Revised edition)

By McKinsey & Company, Inc., Erik Benrud

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Valuation Workbook: Step-by-Step Exercises and Tests to Help You Master Valuation (6th Revised edition), McKinsey & Company, Inc., Erik Benrud, The "Valuation 6e Workbook" is a vital companion to the #1 best-selling guide to corporate valuation. Part of the McKinsey Valuation 6e suite of products for professionals, professors and students, the fully revised and updated work is a must-have guide to reviewing and apply the renowned McKinsey & Company approach to valuation. The Workbook can be used in classroom setting as a complementary text to the University Edition. For professionals on the go, it can be a useful self-study course, allowing them to self-test their knowledge before putting it to work in real-world situations. For both audiences, the book includes review material, concept summaries, and detailed answers to review questions in this review guide. The Workbook also covers such essentials as what drives value creation, value metrics, M&A and joint ventures, valuation frameworks, how to analyze historical information, details on estimating the cost of capital and continuing value, forecasting performance, and calculating results. Brief summary sections, chapter by chapter, help reinforce major points discussed in detail in the core...
