Emily Bestler Books, 2012. Taschenbuch. Book Condition: Neu. Neu Neuware, Importqualität, auf Lager, Versand per Büchersendung - A life hanging in the balance . . . a family torn apart. The No. 1 internationally bestselling author Jodi Picoult tells an unforgettable story about family secrets, love, and letting go. In the wild, when a wolf knows its time is over, when it knows it is of no more use to its pack, it may sometimes choose to slip away. Dying apart from its family, it stays proud and true to its nature. Humans aren't so lucky. Luke Warren has spent his life researching wolves. Suddenly everything changes: Edward must return home to face the father he walked out on at age eighteen. He and Cara have to decide their father's fate together. Though there's no easy answer, questions abound: What secrets have Edward and his sister kept from each other What hidden motives inform their need to let their father die . . . or to try to keep him alive What would Luke himself want How can any family member make such a decision in the face of guilt, pain, or both And most importantly, to what extent have they...
