Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Tales of Strange Adventure Our readers are aware that Dumas was a mighty traveller - not only in the flesh, but still more in the spirit. And he went on to say that such writers as Clairville and Lambert Thiboust were much superior to Dumas. Had they written Angele for instance, observed this critic (the Count D I.), they would have made the public laugh; whereas Dumas, in a world already thrice too sad, made it weep. We must confess that Angele, when we read it, extracted no tears from us. On the other hand, we have been vastly amused by The Marriages of Pere Olifus. Too serious, as it would appear, for some people (surely persons of exacting humour) and too amusing perhaps for some others, this story has yet had some hundreds of thousands of readers. Like most...
