Brand New Book ***** Print on Demand *****.Italy: Beer Country Seventeen years ago, a handful of men inspired a movement -Italian craft beer, Europe's most vibrant beer scene. Thanks to their determination to fight cultural bias and low expectations, the art of beer making has expanded from fewer than 20 microbreweries in 2001 to nearly 600 today, each with its signature brews and personalities. Drawing on more than 20 years of experience working at the world-famous Falling Rock Tap House in Denver, Colorado, Paul Vismara and Bryan Jansing knowledgeably present a fascinating look at an ever-evolving craft beer movement that melds Europe's traditional beer cultures with Italian nuances. Their passion for the subject shows in their stories about the brewers and the craft beers that made them famous.
