It's All about the Money, Honey (Paperback)

By Victotria Woods

DARE2DREAM, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We Are All Provided Tools, Resources and Opportunities; It's How We Execute that Counts. The lessons in this book will teach you how to create wealth. You'll learn how debt is working against you and how to find the right financial advisor for your needs. You may be thinking, It is my \$Money. I earned it; why do I need help managing it? The reality is that you are facing some pretty challenging economic decisions - both long and short term; can you honestly say you're completely prepared? You'll also gain some practical knowledge on what every investor needs to know - including that big investment, real estate. The author shares real life experiences as well as stories from her clients and radio listeners, covering the successes and, yes, even the mistakes. Life's lessons are never all good, and you may even get chuckle at her experiences! Don't expect to be reading a college economics textbook, although many professors and students will gain a lot of knowledge from what's taught here: real life with practical principles...

Reviews

The ebook is simple in go through better to fully grasp. It is actually rally exciting throgh reading through period. It is extremely difficult to leave it before concluding, once you begin to read the book.
