The University of Chicago Press. Paperback. Book Condition: new. New introductions for each play offer essential information about its first production, plot, and reception in antiquity and beyond. In addition, each volume includes an introduction to the life and work of its tragedian, as well as notes addressing textual uncertainties and a glossary of names and places mentioned in the plays. In addition to the new content, the volumes have been reorganized both within and between volumes to reflect the most up-to-date scholarship on the order in which the plays were originally written. The result is a set of handsome paperbacks destined to introduce new generations of readers to...
