Our boys ought also to be taught the use of the needle. It is not unmanly to use it as a tailor, or as a soldier, or seaman. Unmarried men, and sometimes those who are married, need the ability to take better care of their clothes, than they can in their present circumstances. Skill in manipulating carpenters tools, ought also to be taught. Scientific applications of machinery are fast changing the character of many of the arts, so that the final process of construction will only require the exercise of common sense, combined with some skill in the use of tools. Ready planed boards, mouldings, brackets, and various descriptions of turned work, are already available for the construction of fences, screens, trellises, arbors, hotbeds, etc., which are now dispensed with, for lack of skill to make them,...
