(PAPERBACK) ebook.

Outskirts Press, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.THE BACHELORS GUIDE TO THE GALAXY - THIS IS THE RETRO AND MODERN DAY GUIDE TO THE NEW MILLENNIUM RENAISSANCE MAN AND BACHELOR OF TODAY Authored by LARRY VON LARS WEHUNT The Bachelor s Guide To The Galaxy is not your typical self-deprecating cheesy and kind of funny at times bachelor cookbook, bachelor how to decorate or grill-out guide, how to start a campfire, how to make a killer martini, or laser-focused college dormitory party guide, but instead it is rather a comprehensive and insightful mind-blowing journey into the all-encompassing jet-setting lifestyle of the free modern day American and western bachelor including all aspects of life. Whether you are a taxicab driver or bartender, a professional corporate desk-jockey or manager in business, a stockbroker or lawyer, a tech-savvy dot com guy, a plumber or rancher or truck driver, or just the regular guy who lives next door going to college or trade school, this book was written EXCLUSIVELY FOR YOU! Experience the ultimate bachelor lifestyle whether you are a fat cat in business, a middle class cubicle dude on the so called corporate fast track like in the movie Office Space or on a tight fraternity or high school budget still able to party your ass off every night of the week. It is time to tell your girlfriend a good storyline and get out of town to be the fearless weekend warrior and domestic and international traveler who indulges his desires in hedonistic verve for life and for more lustful passion! This book is the Big Leagues, the Adult Disneyland and the Great Pyramid of combined ancient and modern male wisdom and knowledge which I have accumulated for you in these written pages...
