Bob s rarely used and rarely useful Encyclobodomy of words and phrases. . A complete and definitive fabrication. Words Are People Too. is the perfect opportunity to shed the stress of the day by reading a two line, or a two page, pseudo document. The documents expose the when and the where that words were first used. The First Used context will shed a whole new light on language. It will amaze you. This compendium is somewhat like a reference book, insofar as it references stuff. Simply put, we learn how and why individual words or phrases were invented. Once invented, of course, the words ended up as a part of our language. They then became a reflection of the person or people who made them up. Those references, however, are derived with a humorous slant. Each word or phrase becomes a humorous essay. It will put a smile on your face (and teach you not to believe everything you read). Have you ever asked or been asked why...
