Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Health Reader, No; 2: With Special Reference to the Effects of Alcohol, Tobacco, Etc, Upon the Human System In order to carry out the will of the Legislature, as expressed in the two Acts of 1892, which are published herewith, it was necessary to provide promptly for use in our public schools, text books, as accurate as possible in statement, simple in style, and at a reasonable price. For the High Schools a book was soon found and prescribed. For the Common Schools, Nos. I and II of the Pathfinder Series approached the conditions required very closely in many respects. A revision of these latter, with adaptations to Canadian statistics, was made by a committee consisting of Dr. A. P. Reid, President of the Halifax Medical College, and Professor of Medical Jurisprudence and Hygiene; Dr. A. W. H. Lindsay, Reg. and Sec. of the Provincial Medical Board of Nova Scotia, and Professor of Anatomy in the Halifax Medical College; Hibbert Woodbury, D.D.S.; Alexander McKay, Esq., Supervisor of the Public.; Schools of Halifax City; and Dr. MacKay, Superintendent of Education for Nova Scotia. The Council of Public Instruction thereupon prescribed this Text Book for the use of pupils in the Common Schools. Before the young people are able to read, oral instruction based on the text is prescribed to be given. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
